

GED Services

- Those of you who did not graduate from high school and have not attained your GED, we have a **GED classroom** on-site to help you with this. There is a teacher available Monday – Thursday from 10am to 3pm to help you prepare for the tests. We even have testing on-site for those who attend class here (how convenient is that!).
- The GED classroom is staffed by an instructor through the Institute for Extended Learning.
- The classroom is **self paced**. Everyone is working on different things that are preparing them to pass the GED tests.
- The classroom is open **Monday through Thursday from 10am to 3pm**. It follows the Community College schedule so is closed on holidays and between quarters.
- **How do you register?** Just come in and speak to the instructor. If you are under 18, please bring your signed release form from your home high school. The instructor will help you register for the classroom.
- Do you need to take the **GED tests**? You can do that here at the Next Generation Zone if you are working in our GED classroom.
- Come find out more about how we can help you get your GED!
